Rates of Postage and Conditions of Transmission.

LETTERS—(*Inland*).

For a letter not above 1 oz. 1d.

Do. above 1 oz., but not above 2 oz. 1½d.

Do. do. 2 oz., do. 4 oz. 2d.

And so on by ½d. for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

No letter may exceed 18 inches in length, 9 in width, or 6 in depth, unless it be sent to or from a Government office.

RE-DIRECTION—(*Inland*).

No charge is made for the re-direction of letters (including registered letters) whether re-directed by an officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters are re-posted not later than the day (Sundays and public holidays not being counted) after delivery, and that they do not appear to have been opened.

Re-directed letters which are re-posted later than the day after delivery will be liable to charge at the prepaid rate; any which appear to have been opened will be charged as freshly posted unpaid letters.

NEWSPAPERS—(*Inland*).

Newspapers.—For each Newspaper..... $\frac{1}{2}$ d.

To have the privilege of passing as a newspaper, the publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post-Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper. Registration for inland circulation includes registration for transmission abroad.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz., or fraction of 2 oz.

A newspaper or a packet of newspapers posted either unpaid or insufficiently paid, is chargeable with double the deficient postage.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage is required.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper, or a packet of newspapers, which contains any inclosure (except supplements) is charged as a letter; unless the inclosure be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers may be above 14lbs. in weight, two feet in length, one foot in width, or one in depth.

BOOK PACKETS—(*Inland*).

The Postage is one halfpenny for every 2 oz. or part of that weight.

A packet posted wholly unpaid is charged with double the book postage and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

CIRCULARS, *i.e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post. Productions of the typewriter or imitations thereof, are not admissible as circular letters.

No book packet may be above 5lbs. in weight, 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from a Government office.

SAMPLE PACKETS—(*Inland*).

For a packet not exceeding 4 oz. in weight.....1d.

Do. Do. 6 oz. Do.1½d.

Do. Do. 8 oz. Do.2d

No packet must exceed 8 oz. in weight. The limit of dimensions are 12 inches by 8 inches by 4 inches.

A packet posted wholly unpaid will on delivery be chargeable with double postage; and if insufficiently paid will be chargeable with double the deficient postage.

Patterns and Samples must be sent in wrappers (marked "Pattern Post" or "Sample Post") entirely open at both ends, and must be so packed that they may be easily withdrawn for examination; but samples of seeds, flour, drugs, and such-like articles, which cannot be sent in open wrappers, may be enclosed in boxes (in such a way as to admit of easy examination) or in bags of linen or other like material, tied at the neck. Closed bags, even if transparent, will not be allowed. In cases of non-compliance with this rule the packet will be charged with double the deficient postage at the letter rate.

The name, address, and trade of the trader by whom the Patterns or Samples are sent out must be in all cases *printed* (not written) or stamped on the outside of the wrapper. Otherwise the packet will be liable to be charged on delivery.

A packet which contains any writing which would not be admissible by Book Post will be charged at the letter-rate.

No glass bottle, or glass in any form, may be sent; no explosive, liquid, semi-liquid, or greasy matter, nor powders of any kind which may stain or do other damage; nor any living creature.

Patterns of scissors, knives, razors, and other sharp articles, must be so packed and guarded as to completely prevent injury to the other contents of the Mail Bags, or to the officers employed, but the packets must at the same time admit of easy examination. When these requirements are not complied with, the packet will be stopped.

The Pattern Post is absolutely restricted to *bonâ fide trade Patterns and Samples of Merchandise*, with or without any document which is admissible by book-post. Packets not containing *bonâ fide* Patterns, and posted prepaid at the Pattern-rate only, will be charged with double the deficient postage, at the letter rate, together with a fine of 6d.

POST CARDS—(*Inland*).

Official Post Cards impressed with a halfpenny stamp; Reply Post Cards impressed with a halfpenny stamp on each portion of them, and private Cards impressed at the Office of Inland Revenue with halfpenny stamps, are available for transmission between places in the United Kingdom only.

The front (or stamped) side is for the address only in addition to the words printed thereon. There must be nothing else written, printed, or otherwise impressed on it or on the stamp. On the reverse side, any communication may be printed or written. Nothing whatever may be attached: nor may the Card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d. on delivery.

No Card other than one of those issued by the Government, or a private Card impressed with a halfpenny stamp by the Inland Revenue Office, will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

PARCEL POST—(*Inland*).

Not exceeding 1 lb. in weight - - - - - 3d.

For each additional lb. up to 11 lbs. - - - - - 1½d.

No parcel can be sent exceeding 11 lbs in weight.

The following are the principal conditions and regulations :—

The size allowed for an Inland Postal Parcel is—

Greatest length - - - - -	3 ft. 6 in.
Greatest length and girth combined - - - - -	6 ft. 0 in.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter, and a parcel should not be left until the weight, size, and postage have been tested by the clerk at the counter. Care must be taken that every parcel bears a clear address.

If a packet bearing the words "Parcel Post," or otherwise clearly marked as intended for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter or book packet, if it is fully prepaid at the rate proper to either, and is otherwise in accordance with the letter or book post regulations. If such a packet is not fully prepaid at the letter or book

post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused. If a parcel in such condition is observed in transit it is, if possible, made secure and sent forward; but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

Parcels addressed to a Post Office "to be called for," and only such parcels, are liable to a demurrage charge at the rate of 1d. a day after they have remained in the Office one clear day, counting as a day the period during which the Office is ordinarily open to the public.

No demurrage is charged on parcels addressed to persons residing outside the limits of the free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

For despatch and delivery of parcel mails see Aberdeen Mail Arrangements.

INLAND REGISTRATION AND COMPENSATION.

The Postmaster General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 50*l* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d*.; and the scale of fees, and the respective limits of compensation are as follow:—

Post-Office Telegraphs.

TARIFF (INLAND).

The charge for Telegrams throughout the United Kingdom is 6*d.* for the first 12 words, and $\frac{1}{2}$ *d.* for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate Delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and $109\frac{7}{8}$ as two.

PORTERAGE.

The sums charged for the transmission of Telegrams cover the costs of delivery by special Foot Messenger within the limits of one mile of the Terminal Telegraph Office, or within the limits of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not wish to incur the cost of special delivery, his Telegram may be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraph Office.

REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £1 1*s.* a year, dating from the day of registration. The address must consist of not less than two words, one of which is to be the town or place of delivery.

PRUDENTIAL ASSURANCE COMPANY, LIMITED.

CHIEF OFFICE: HOLBORN BARS, LONDON.

Summary of the Report presented at the Forty-fourth Annual Meeting held on 2nd March, 1893.

THE DIRECTORS have much pleasure in presenting their Report and Accounts for the year 1892.

ORDINARY BRANCH.—The number of Policies issued during the year was **56,912**, assuring the sum of **£5,886,889**, and producing a New Annual Premium Income of **£319,948**.

The Premiums received during the year were **£1,665,611**, being an increase of **£222,865** over the year 1891.

The Claims of the year amounted to **£418,667**. The number of Deaths was **2,932**, and **117** Endowment Assurances matured.

The number of Policies in force was **301,643**.

INDUSTRIAL BRANCH.—The Premiums received during the year were **£3,849,157**, being an increase of **£160,819**.

The Claims of the year amounted to **£1,602,816**. The number of Deaths was **178,231** and **1,230** Endowment Assurances matured.

The number of Free Policies granted during the year to those Policy-holders of five years' standing, who have desired to discontinue their payments, was **47,395**, the number in force being **288,493**.

The total number of Policies in force was **10,105,877**: the average duration of them is seven years.

The Total Assets of the Company, as shown in the Balance Sheet, are **£16,309,652**, being an increase of **£1,686,025** over those of 1891.

The Directors have since 1886 been considering a plan whereby the great labour and expense attendant upon the Quinquennial Valuation might be lessened, and have now matured a system of recording and classifying the risks in both Branches from day to day in such a manner as to make the work of actual valuation possible at any moment at a comparatively small cost.

The Directors therefore determined to exercise the power recently conferred upon them by the Shareholders, and a complete valuation for the past year has been made with the following results :—

ORDINARY BRANCH.—The valuation of this Branch has been made upon the same principles as those of the preceding Quinquennium, namely, a net premium valuation on the Institute of Actuaries' (H.M.) Table of Mortality for the life risks, and Mr. Finlaison's Government Annuity Table 1884 for the annuities, the rate of interest in both cases being 3 per cent.

The surplus of Assets over Liabilities amounts to **£369,500.**

INDUSTRIAL BRANCH.—The valuation of this Branch has also been made on the basis of a net premium valuation at 3 per cent. interest, the Table of Mortality being Dr. Farr's "English Life Table," No. 3.

The surplus of Assets over Liabilities amounts to **£294,609.**

The total surplus of the two Branches is **£664,109**, out of which it is proposed to carry forward **£270,000** (£70,000 from the Ordinary Branch and **£200,000** from the Industrial), leaving **£394,109** for distribution among the participating Policy-holders and Shareholders, in accordance with the Regulations of the Company under its special Act of Parliament.

It may be thought that in carrying over so large a sum as **£270,000** the Directors have acted with unnecessary caution; but, although ample provision has been made for every known contingency, it must not be forgotten that in so extensive a business the working of a single year cannot be taken as the measure of the average profits over a series of years.

The processes and results of the valuation, which has been carried out by the Actuary, Mr. F. Schooling, have been approved by Mr. A. H. Bailey.

By the adoption of an annual declaration of bonus, Policy-holders will obtain each year a vested increase to the sum assured and will not have to wait until the end of a Quinquennial period. This advantage is emphasized by the fact that reversionary bonuses can be surrendered for cash.

PRUDENTIAL ASSURANCE COMPANY, LIMITED—(Continued).

The Directors desire to record their high appreciation of the efforts of the staff of the Company in carrying out the work of the valuation, which, under the improved methods, was accomplished in less than one month from the close of the year.

The Balance Sheet has been submitted to Messrs. Deloitte, Dever, Griffiths & Co., whose certificate is appended to the accounts.

Extract from the Report of Mr. F. SCHOOLING, the Actuary to the Company.

ORDINARY BRANCH.—The number of Life Policies in force at 31st December, 1892, was **301,643**, assuring, with bonus, **£33,971,264**, and producing a premium income of **£1,707,488** per annum.

After providing for all liabilities, there remains a surplus of **£369,500**, which includes the sum of **£50,000** brought forward from last year.

INDUSTRIAL BRANCH.—The number of Policies in existence at 31st December last was **10,105,877**, including **288,493** Free or Paid-up Policies, and the amount assured **£98,214,167**. The weekly premiums receivable in respect of these Policies amounted to **£78,050** per week, or **£4,058,600** per annum.

After providing for all liabilities there remains a surplus of **£294,609**, which includes the sum of **£150,000** brought forward from last year.

During the year **£77,000** has been added to the sum assured by Policies completing their fifth year of existence, and **£65,000** to the sum assured by Policies completing their tenth year. The present cash value of these increases, and of the sums assured under Free Policies granted during the year is **£140,000**.

THE ORIGINAL SOCIETY—ESTABLISHED 1840.

THE GUARANTEE SOCIETY,

No. 19 Birchin Lane, Cornhill, LONDON, E.C.

Empowered by Special Act of Parliament, 5 Victoria—Session 1842. Suretyship undertaken for the Fidelity of Persons in Situations of Trust, on the yearly payment of a small sum at a stipulated rate per centum.

CAPITAL £100,000 FULLY PAID UP AND INVESTED.

This Society was the first Public Company established in Great Britain to obviate the inconvenience and defects of Suretyship by Private Bondsmen, its Security being adopted by

Her Majesty's Government

BY

The Bank of England, the Bank of Ireland,
The Council of the Duchy of Cornwall,
The Secretary of State in Council for India,
The Court of Chancery, the Local Government Board,
The Corporation of the City of London,
The Principal Bankers, Railway Companies, Public Companies, and
Commercial Firms, in the United Kingdom.

The Society by Special Act of Parliament, is expressly authorised to give security for persons appointed to any office or employment, or Commission, Civil or Military, in any Public Department, or to any office or employment of Public Trust under the Crown.

PERSONS of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory Sureties; but the Institution of this Society removes these difficulties.

The GUARANTEE SOCIETY undertakes, for a small yearly premium, to make good to the employer ANY LOSS BY THE FRAUD OR DISHONESTY of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of Private Friends.

Employers, by the existence of the Society, are assured of the continued solvency of the Surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

All necessary information can be had of the Secretary and Agents.

THE AMOUNT OF THE SECURITY REQUIRED.

Security granted on behalf of Receivers and Official Liquidators, under the Court of Chancery, and Trustees in Bankruptcy, on advantageous terms.

Life Department.

The Life business of the Company is divided into two distinct branches.

I.—THE NON-PARTICIPATING BRANCH, the Assured in which receive no addition to their Policies.

II.—THE PARTICIPATING BRANCH, in which the whole of the surplus, as ascertained at each valuation, belongs to the Policy-holders. Insurers thus obtain the advantages of a Mutual Society. The last Bonus declared was £1 11/ per cent. per annum.

The Life Funds are exempted by Act of Parliament from any liability for the Fire Obligations of the Company, while a saving in charges is effected by the combined management of the Fire and Life departments. The Total Expenses of Management in the Life Department, including Agents' Commission, are less than seven and a quarter per cent. of the Revenue from Premiums and Interest.

THE SCOTTISH TEMPERANCE LIFE

(AND ACCIDENT) ASSURANCE COMPANY, LIMITED.

Head Office, 81 RENFIELD STREET, GLASGOW.

THIS is the only Scottish Company that in any practical way secures to Abstainers the full benefit of their superior health and life.

All Policies on the lives of Total Abstainers are kept apart from the general business of the Company, the whole extra profit being thus preserved for the benefit of the Abstainers.

An abatement of 10 per cent. on the Premiums on all ordinary whole life Policies is granted from the commencement of the assurance.

The cost of Policy for £1000 (with profits) elsewhere would in most cases secure an immediate assurance of from £1200 to £1400 in this Company, with right to further profits.

No other Company shows such a high percentage of increase in Revenue and Funds, and no other Company laid past such a large proportion of its Revenue as the Scottish Temperance.
